

## MetaTrader 4 Quotes Freeze Plugin

### Introduction

The Quotes Freeze plugin is intended to disable trading on a particular symbol if the market price had not been updated for a period of time. This plugin is a good insurance against the technical failure of the server datafeed and prevent traders from taking advantages on stopped/stale prices.

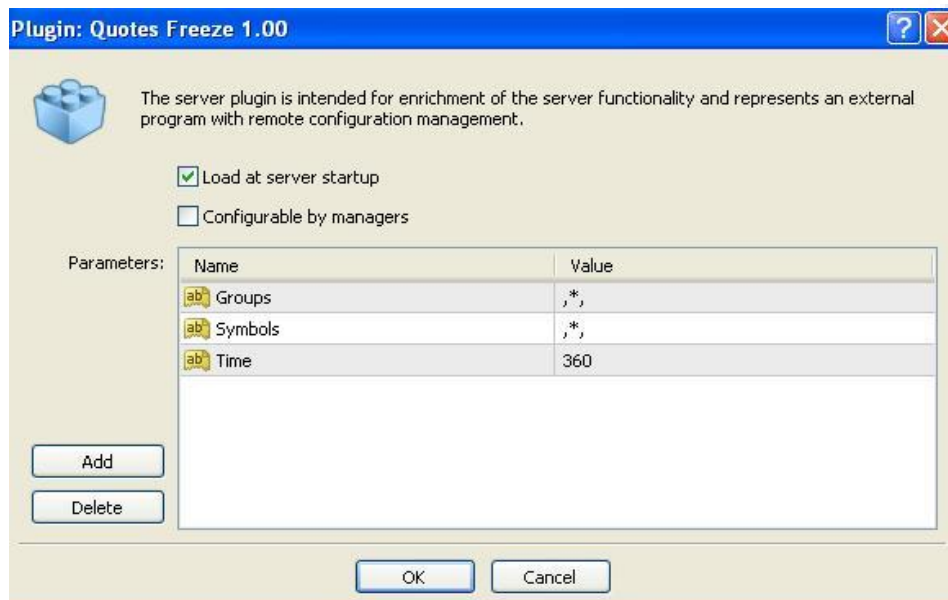

### Plugin Installation

To install the plugin, the MetaTrader Server 4 program has to be stopped temporary before copying the quotesfreeze.dll file into the "MetaTraderServer4/plugin" in the server root directory.

1. To stop the server, click on Start/Administrative Tools/Services.
2. Under the Services window, look for MetaTrader Server 4 and click it.
3. On the General tab, under Service status, click on the "Stop" button and wait for the MetaTrader server to stop.
4. Transfer/Copy the quotesfreeze.dll file into the server root directory "plugin" folder.
5. Go back to Services window, click "Start" button to start the MetaTrader Server 4 program.

### Plugin Configuration

After installation of plugin, it is necessary to configure its settings.

| Parameter | Description   |
|-----------|---|
| Groups    | Groups processed by the Quotes Freeze plugin. The groups can be listed using templates. For example, <b>demo*</b> - all demo groups, <b>!real,*</b> - all groups except for the real ones, <b>demoforex-usd</b> , <b>demoforex-jpy</b> - only groups named demoforex-usd and demoforex-jpy, respectively. |
| Symbols   | List of symbols to be processed by the Quotes Freeze plugin. The symbols can be listed using templates.<br>For example, <b>USD*</b> - all symbols starting with USD; <b>!SILVER,!GOLD,*</b> - all symbols except for gold and silver.   |
| Time      | The amount of time limit in seconds which the plugin will monitor on the preset symbols. If a particular symbol exceed the preset time limit, "Off Quote" warning message is displayed.   |

After configuration of the plugin, the MetaTrader Server 4 program has to be restarted for the new configuration to take effect. To restart, look to the top left of the MT Administrator 4 program and click it.
